12. Background of the Organization

DBF is a non-government, non-profitable and non-political voluntary development organization. It was established in January 2003 with the initiative of a group of educated social workers with an aim to promote the socio-economic status of the rural poor and disadvantaged people emphasizing formation and operation of the women and children through concretization, capacity building, institution building, formation and operation of credit unions, capital formation and imparting felt-need based problem solving programs. It believes in non-directive, bottom-up, integrated and participatory development framework and works as a catalyst with the concern people and aspire a judge full and equitable share able society, where every individual could be able to live in peace, harmony and justice.

Since the inception on 1st January 2003, **DBF** has been working hard to derive away poverty, illiteracy and malnutrition. It aims to assist the poorest sections of the community to achieve assured and sufficient means of livelihood and social equity. **DBF** has a bitter experience of exploitation, torturing and deprivation of the asset-less/ have not people by the influential individual, landlords, land grabbers and against violation of human rights, domestic level women oppression & torture and democracy perpetuates the process of dehumanize

13. Vision

A society free from exploitation and oppression that enables where every individual to live in peace and harmony by exercising his/her rightful share in the society.

14. Mission

To create opportunities for the disadvantaged & under privileged community especially women, adolescent & children can improve their socio-economic as well as health status and to participate in and be responsible for their own development, ultimately it ensure equal participation, transparency and accountability in every aspect of the society for sustainable development.

15. Working Strategy

In achieving the above objectives, **DBF** has clearly formulated certain strategies & principles that are operational through some programs, which are as follows:

- Institutional development & democratization through community participation;
- Human resource development;
- Structural poverty alleviation & local resource utilization;
- Environmental protection & regeneration;
- Improvement of gender equality, women & child rights;
- Health institute establish
- Participatory development & Research;

16. Overall Objective of the Organization

- ❑ The overall objective of the organization is to socially organize the disadvantaged & hardcore poor people, exploited, divorced and widow women of the society for their participation in the development intervention.
- ❑ Encourage them to participate in various group & credit union formation, training program and provide them financial and technical assistance mainly to women rural groups to undertake various income generating activities, so that they are able to increase their income on their own skill to alleviate their poverty and eventually to achieve their economic self-reliance.
- ❑ Establish human right to salvage the suffering humanity, to eliminate social injustice, address gender issues to bring gender equality in the society and to the empowerment of women socially and economically, elimination of child labor & illegal child marriage.
- ❑ Establish equality among mankind irrespective of race and socio-economic position to extend support to the disable and disadvantaged people for their Medicare services including (MCH, primary health & nutrition) and rehabilitation for improving health situation/condition.
- ❑ Undertake various cultural activities for the enrichment of the rural based cultural heritage.
- ❑ To raise awareness about the environment and its habit, so that everyone concern behave with an attitude of care and protection towards the environment and its habitat.

17. Specific Objectives of the Organization

- To create consciousness rising among the poor and disadvantaged people especially exploited, widow and divorced women folk as well as prevention of illegal child forced marriage.
- To organize them under one umbrella.
- To build people's institution, groups and credit unions.
- To create savings mentally among the organized people and women folk.
- To build personal capital by building attitude of savings even small.
- To build professional capacity of the poor people through various training, motivation, information dissemination, discussion, and advocacy programs.
- To increase literacy rate among the poor people and children.
- To develop future citizens/generations.
- To develop unity, solidarity and reciprocal co-operation.
- To establish social justice and harmony.
- To create employment and income generation opportunities of the own skill and local resources especially of rural people.
- To reduce poverty alleviation through income and employment generating activities.
- To conduct various types of skill and human development training especially for poor rural and slum based people with special emphasis on women & girls.
- To involve women into economic and productive activities.
- To conduct various types of human development training both for male and female.
- To increase and develop gender relationship.
- To improve environmental condition.
- To provide MCH, primary health and nutrition services.
- To conduct relief and rehabilitation services for disaster victims especially to disabled people in various needs.

- To rehabilitate disabled people.
- To promote anti-drug and anti-social activities.
- To conduct disaster preparedness and management activities.
- To integrate the poor people in the main stream of national development.

18. Fundamental Principal

The organization holds that in order to achieve such a society equal participation of rich and poor as well as men and women is necessary. Therefore, **DBF** encourages underprivileged women in particular to participate in development activities and attain a higher degree of self-reliance. **DBF** believes that the development of society comes through the participation of people in the planning and controlling of their own development; the institutional development of community based organizations; and self-reliance and the use of local available resources.

19. Role and Functions

As mandated by the constitution the main function and role of Desh Bangla Foundation- **DBF** are to undertake an extensive and intensive participatory sustainable development process through empowerment of the underprivileged by supplementing and complimenting the GOB development initiatives and piloting demonstration projects throughout the country. The specific role and functions being played by **DBF** are as follows:

- To supplement, compliment and facilitate the public sector, national, regional, and local level development initiatives that concentrate and address burning national development issues with emphasis to human rights, especially on issues related to the rights of women and children and their empowerment in respective societies.
- To activate, motivate and sensitize the policy makers and all related stakeholders through policy advocacy, dialogues and campaign in the alliance with same minded organizations for making need based policies and required reforms and steps for the empowerment of the under privileged.

20. Target Population

The target beneficiaries of **DBF** are the poorest who are living below poverty level, oppressed, disadvantaged and underprivileged in the society consulting the bulk of the population i.e. the destitute women, adolescent, children, the landless, small and marginal farmers and the other occupational group who are victims of hunger, malnutrition and social justice.

22.2. Vaccination program during Covid-19

DBF has successfully arranged vaccination program on the 75th Birth Day occasion of Honorable Prime Minister Sheikh Hasina in Jhalakati pourashava. **DBF** Hospital & family welfare center counted as a vaccination center with the affiliation of higher authority.

Vaccination Program during Covid-19

Providing Covid-19 Vaccine to school students

22.3. Changing the Society for Adolescent Empowerment through Adolescent Club

It is one of the GOB program under Ministry of Women Affairs implanting through NGOs and **DBF** is responsible for implementing the program in Jhalakathi Sadarupazila at 10 unions since 2012. Under the program we covered 300 adolescent boys and girls. In each Union Perished there have one Adolescent Club and 20 Adolescent girls and rest of 10 are adolescent boys are the member of each club. All of members are age around 11 to 18 years. The entire club is use for the members for development of their live & livelihoods, awareness rising on adolescent health care, early Marriage, Dowry, Domestic violence, social justice, anti-drug and different knowledgeable issue that are most important for the rural adolescent group.

It is remarkable that these clubs are used not only the adolescents, but also their parents are involves with these club for developing adolescent group. To run this program smoothly, LGI & Line Ministers are engaged to monitor & follow-up the club activities according to GOB guidelines. Different awareness raising session are conducted to raise their voice and to empower them. life skill training are provided and then after enhance them to build professional relationship with different services providers to be self-reliance. After all to make them the resources in the society.

DBF Chairman with Adolescent boys & Girls

22.4. Maternity Benefit

Desh Bangladesh Foundation (**DBF**) implements this program at Kathalia of Jhalakathi district since 2011. It is a continuous basis program of Ministry of Women Affairs of Bangladesh Government. Under this program we provide a series of services for the women group. Under this program we successfully done the interventions are;

- Group formation according to GOB guideline
